

The following two pages were photocopied from the 1958 Sears Fall & Winter big book and sent to me by another collector. Since I don't have the catalog, I don't know if there is some other DB tractor info in this catalog that could have been included.

Typical values from Sears 1958 Farm and Suburban Book.

If items you are looking for are not shown on these pages, send in coupon below

Here's Sears 196-page Farm Book

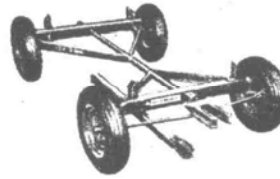

Whether you work a small garden or run a large ranch, Sears Farm Book will help you save money!

Here's a partial index of what you'll find

Summer and fall harvest equipment—grain bins, bar mesh corn cribs, grain drying systems, grain testing equipment, bale conveyors, roller conveyors, wagon gears and boxes, silos, loaders, combine canvases, elevators, straw choppers.
Gardening equipment—garden tractors, roto-spaders, tillers, riding mowers.
Fencing—full line of farm fencing, barbed wire, steel and wood lawn fences.
Dairy equipment—milkers, parlor stalls, pipe line milkers, coolers, etc.
Saddles and riding equipment—many new models, bridles, blankets, coronas.
Steel buildings—lawn and garden buildings, large storage types.
Heavy farm equipment—forage choppers, rotary shredders, discs, harrows, hay mowers and rakes, earth-moving equipment, sprayers, sawmills, generators.

Separately total ~~\$161.95~~

\$149.45 cash
\$15.00 down

Spader only
\$137.95 cash
\$14.00 down

End the back-aching work of spading and cultivating your garden by hand. Roto-Spader power does it easier... and better! Big, slowly revolving tines work the soil as deep as 9 in. into a loose granular mulch, perfect for planting... uproot weeds and loosen caked soil when used to cultivate. 2.75-HP, 4-cycle Briggs & Stratton engine with recoil starter. Convenient handlebar clutch and throttle. Regular tines spade 14-in. width. Extension Tines increase width to 21 in. Furrower (sold extra) mounts in place of rear stake, makes furrow for planting. Transport Attachment (sold extra) aids in moving Spader.

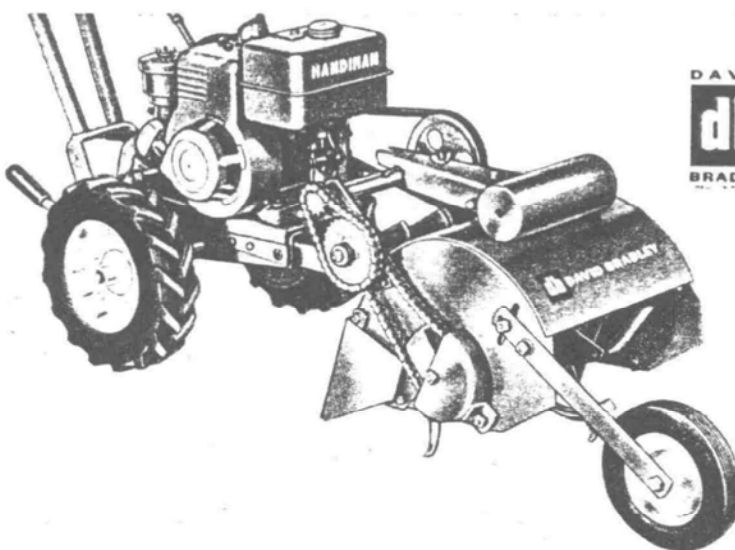

| Description | Catalog Number | Shpg. wt. | Price |
|---|----------------|-----------|----------|
| Combination Roto-Spader, Extension Tines..... | 32 G MT5076 | 99 lbs. | \$123.95 |
| Roto-Spader without Extension Tines..... | 32 G MT5072 | 91 lbs. | 122.95 |
| Extension Tines..... | 32 G 5042 | 8 lbs. | 10.00 |
| Furrower..... | 32 G 5051 | 8 lbs. | 6.50 |
| Transport Attachment..... | 32 G 5050 | 8 lbs. | 7.50 |

SHIPPING NOTE: Roto-Spaders and attachments shipped from mail order house. Handman, Garden Tractor and attachments shipped from mail order house or factory near Chicago, Ill. "M" items (as 32 G MT5076) sent freight, express or truck from mail order house, or by freight or express from factory.

Another PLUS VALUE... our best Roto-Spader in special combination for only \$1.00 a month more than Spader at left. Our best because it's our most versatile... power head slips on 21-in. Rotary Mower Attachment in seconds.

Big, 11-in. diam. tines revolve slowly to slice soil up to 9 in. deep into loose granular condition ideal for planting seeds, bulbs or plants. 2.75-HP, 4-cycle Briggs & Stratton engine with recoil starter... handlebar controls. Regular tines cut 14-in. path... Extension Tines increase width to 21 in. Transport Attachment (A) aids in moving Spader across walks, etc. Furrower (B) replaces guide stake, makes neat rows for planting. 21-in. Rotary Lawn Mower Attachment (sold extra) has side discharge, adjustable height of cut.
